

Adult Chiropractic Health Questionnaire

Welcome to our office! It is well known that families who maintain strong healthy, well-aligned spines have much improved health. People whose spines are not kept in proper alignment are much more likely to develop health disorders later in life such as arthritis, illness, pain, heart attacks, strokes, even cancer.

Name _____ Home Phone _____
Address _____ Work Phone _____
City, State, Zip _____ E-mail Address _____
Birth date _____ Age _____ SS# _____
Occupation _____ Employer _____
Primary Care Physician _____ Phone No _____
Marital Status: M W Sep. D Sin. Spouse Name _____ No. of Children _____
